EXPERIENCE

I have been playing competitive golf since 2020, and currently hold a +0.6 handicap.

In the Summer of 2023, I was selected to be part of an invitational group of high-performance players from around the world to join the St. Andrews golf camp in Scotland. This international exposure and experience cemented my passion and path forward in pursuing all career opportunities in the world of Golf, Sports and Business.

I am a rising Senior in high school, and an honors student. I excel in Math, Science and Economics. Currently I am part of the Ambassadors club at my school, which has taught me immense value in representing my school community.
